ACKNOWLEDGEMENTS

This publication was prepared by Eric McGregor, Corporate Information Management Directorate and in collaboration with the Office of the Indian Registrar (OIR), Lands and Trust Services.

Should you require clarification or additional population statistics, please call 1-800-567-9604, or e-mail InfoPubs@ainc-inac.gc.ca.

INTRODUCTION

The Department of Indian Affairs and Northern Development (DIAND) is required by the *Indian Act* (Chapter I, Section 5 (1)) to record in the **Indian Register** the names of individuals who are registered under the Act. The Indian Registry System (IRS) is a database which records individuals' names and a range of non-statutory data. The *Registered Indian Population by Sex and Residence* describes the IRS population as recorded at December 31, 2005. Descriptive statistics are developed from the IRS that include sex, residence, registry group, responsibility centre and region.

DIFFERENCE FROM THE 2004 EDITION

The O-Pipon-Na-Piwin Cree Nation (Band No. 318) in the Manitoba Region was constituted by a division of the Nisichawayasihk Cree Nation (Band No. 313). However, the transfer of membership between the two bands was not yet complete as at December 31, 2005.

DATA ORGANIZATION

Data are organized in two broad sections. The first section provides summary statistics that include age and gender distribution and residency comparisons for all regions and Canada. The second section presents detailed information for each registry group arranged by sex, residence, responsibility centre and region. Registry groups are listed in alphabetical order within each responsibility centre (see page vi for the definition of registry group).

For purposes of the Privacy Act and to protect the personal information of individuals, registry groups with total membership of less than 40 people have been suppressed from the Detailed Tables section. Their counts, however, are included in aggregations to district, regional and national totals.

In total, data for 14 registry groups and general lists required suppression. In terms of registry groups, two in Ontario and five in British Columbia were suppressed. As for general lists, there was one suppression in the Atlantic, two in Ontario, one in Manitoba, two in Saskatchewan and one in the Yukon.

DEFINITION OF TYPES OF RESIDENCE

1. On Reserve (Own Band)

Indian Register individuals who are band members or who are descendants of band members residing on reserves, on Category 1A* and Category 1A-N* lands, on Sechelt* lands, or on Nisga'a* lands set aside for their band.

2. On Reserve (Other Band)

Indian Register individuals who are band members or who are descendants of band members residing on reserves, on Category 1A* and Category 1A-N* lands, on Sechelt* lands, or on Nisga'a* lands set aside for other bands.

“...Category 1A land... for the exclusive use and benefit of a Cree band...”

“...Category 1A-N land... for the exclusive use and benefit of the Naskapis of Quebec band...”

Source: *Naskapi (of Quebec) Act. (James Bay and Northern Quebec Agreement)*

Sechelt lands: *Sechelt Indian Band Self-Government Act, 1986*

Nisga'a lands: *Nisga'a Final Agreement Act, 2000*

3. On Crown Land (Own Band)

Indian Register individuals who are band members or who are descendants of band members residing on Crown land in a community administered by their band.

4. On Crown Land (Other Band)

Indian Register individuals who are band members or who are descendants of band members residing on Crown land in a community administered by other bands.

5. On Crown Land (No Band)

Indian Register individuals who are band members or who are descendants of band members residing on Crown land not administered by any specific band.

6. Off Reserve

Indian Register individuals who are band members or who are descendants of band members residing neither on reserve nor on Crown land.

Distinction between the words “Band” and “Reserve”

A **band*** simply refers to a “...body of Indians...”.

A **reserve***: “...(a) means a tract of land, the legal title to which is vested in Her Majesty, that has been set apart by Her Majesty for the use and benefit of a band, ...”

At December 31, 2005, there were 615 Bands in Canada, and 2,889 reserves.

*Source: *Indian Act*

NOTE TO USERS

The Indian Register is meant to record individual names in accordance with specific sub-sections of the *Indian Act*. The Indian Register does not include all persons who are entitled to be registered according to the *Indian Act*, only those who have applied to be registered and whose entitlement has been verified. Therefore, data from the IRS may not fully meet the requirements of some statistical activities (e.g. demographic projections, migration patterns).

There is a reporting lag between the occurrence of a given life event and its being reported and recorded for updating of the Indian Register. This means that events occurring prior to December 31, 2005 may not be reflected in the Indian Register as documented on that date. The following examples illustrate this concept:

1. Infants entitled to be registered at birth may not be registered by the December 31st reporting date. Parents often do not report the birth until a later year. It is estimated that of all births reported in 2005, approximately 67 percent had actually occurred prior to 2005.
2. Individuals can remain on the Indian Register for some time after they are deceased. A certificate of death or a confirmation of presumed death is normally required to remove a name from the Indian Register.
3. Residency codes are typically updated when a life event is reported, although some bands do it more frequently.

SOURCE OF DATA

Individuals are considered Registered Indians if their names appear on the Indian Register. Names are added or deleted from the Indian Register based on legal sources of information such as provincial birth or death certificates.

The addition or removal of a name to or from any part of the Indian Register is approved by the Registrar as set out in the Indian Act.

The following concepts may affect interpretation and utility

1. Data in the detailed tables are presented by registry group. A registry group is an administrative term applied to a group of Indian Register individuals who have membership in a particular Indian band, or, are descendants from members of that band. A band usually relates to only one registry group except in the following three cases: Six Nations of the Grand River band in the Ontario Region consists of 13 registry groups (pg.xi); Stoney band in the Alberta Region consists of 3 registry groups (Bears paw, Chiniki and Wesley); and the Champagne and Aishihik First Nations band in the Yukon Region consists of two registry groups (Aishihik and Champagne). The registry groups related to these bands are noted in the detailed tables.
2. Affiliation of an individual with a particular registry group in the Indian Registration System is based on ancestry and may not equate to local band membership rules. Bands may choose to legally take control of their membership rules in accordance with Section 10 of the *Indian Act*. There are currently **232** bands who have done so. Membership may be determined by other than the *Indian Act*, such as the *Cree-Naskapi (of Quebec) Act* (9 bands), the *Kwanlin Dun First Nation Final Agreement* (1 band), the *Nisga'a Final Agreement Act* (4 bands), the *Sechelt Self-Government Act* (1 band), the *Westbank First Nation Self-Government Agreement* (1 band) and the *Yukon First Nations Self-Government Act* (9 bands). The statistics in this publication report the number of individuals who are registered with a registry group and make no statement as to whether or not they are band members.

3. Only the counts for residence codes 1 and 3 identify the location of individuals. The counts for residence codes 2, 4, 5 and 6 do not indicate that the individuals reside in that particular region necessarily.
