MOHAWK COUNCIL OF AKWESASNE OFFICE OF THE GRAND CHIEF

Tsiothorko:wa/January 14, 2011

Shé:kon/Greetings to Akwesasronon and Visitors to Akwesasne:

On behalf of the Mohawk Council of Akwesasne and the Department of Economic Development, we are pleased to support local businesses by promoting the Sixth Edition of the 'Akwesasne Business Directory', 2011.

Supporting the local economy creates a strong economic base for the region, therefore, we encourage you to shop locally and support Akwesasne businesses by buying locally. Akwesasne has a lot to offer in retail and convenience stores located at the Peace Tree Mall and throughout the Territory.

We have beautiful facilities that promote the culture of Akwesasne such as our local A'nowarako:wa Arena which is designed in the shape of a Turtle that is reflective of one of our main clans. The arena is commonly referred to as the "Turtle Dome" and is home to the annual Akwesasne Pow-wow, league lacrosse for all age groups, figure skating, minor sports hockey and now the Akwesasne Wolves professional hockey league.

Included in the directory is a beautiful map of the territory indicating illustrations where Akwesasne businesses are located. The 2011 Akwesasne Business Directory can also be found on our website www.akwesasne.ca.

The Council thanks Lindsay Tarbell and Steve Cook at the St. Regis Mohawk Tribe, Office of Economic Development for assisting and updating the information of the southern portion and to Cheryl Jacobs and Peggy Francis of the MCA Department of Economic Development for updating the business information for the northern portion of Akwesasne.

Welcome to Akwesasne! We are happy that you are taking advantage of the Akwesasne Business Directory. The 2010 edition was very successful and we got a lot of good feedback from visitors who found it to be very useful in patronizing local businesses.

The Akwesasne business community continues to grow, helping to make the Saint Regis Mohawk Tribe one of the economic engines of the North Country. If you are looking for entertainment, gift shopping, dining, auto repair, or discount gasoline, you can find it in Akwesasne, along with a host of other services and products. We are grateful that you have chosen Akwesasne as your destination.

Many of our local Chambers of Commerce display and distribute the Akwesasne Business Directory, which helps to draw visitors and tourists to the area. The direct and indirect spending by visitors benefits the entire region and has a positive economic impact on our neighbors and the state as a whole.

As with the previous edition, this year's directory has been a collaborative effort between the Saint Regis Mohawk Tribe (southern portion of Akwesasne) and the Mohawk Council of Akwesasne (northern portion). Although the Mohawk community is in different political jurisdictions, we continue to be united by common language, history, culture, kinship and economy. This directory is one reflection of how we are united.

In addition to our vibrant business community, the Mohawk Tribe has a long and proud history. We are happy to share our culture with you through our annual pow-wow and the Akwesasne Museum. You can find out more about our tribe's history, programs, events and services on our website at www.srmt-nsn.gov. You can also sign up for our free monthly tribal newsletter on our website.

Whether you are here to visit one of our gaming facilities, to visit the museum, to attend the pow-wow, attend a meeting, or to simply go shopping, please enjoy our traditional Mohawk hospitality. Thanks for visiting our community. Best wishes for an enjoyable visit and safe travels. We look forward to your return to Akwesasne, "Land Where the Partridge Drums."

Niawen, (Thank you)
