She:kon/Greetings,

Welcome to Akwesasne! On behalf of the Saint Regis Mohawk Tribe and the Akwesasne business community, the Saint Regis Mohawk Tribal Council extends a warm welcome to those who are visiting. Akwesasne has much to offer – entertainment at the Akwesasne Mohawk Casino, an annual international pow-wow, discount gasoline and cigarettes, retail shopping, dining, outdoor recreation, fine arts and crafts, a museum of Mohawk history and culture, auto repair and personal and professional services. Our economy here is very diverse and we continue to grow, providing employment opportunities and strengthening the local and regional economies. We are sure that you will enjoy your visit here and we appreciate your patronage to Akwesasne businesses.

We refer to our community as Akwesasne, which means, “Land Where the Partridge Drums.” Our territory here consists of the Southern Portion and the Northern Portion because of the international border between the United States and Canada. But we’re all one community with many close kinship ties, the common Mohawk language, a shared culture and a shared history.

The Saint Regis Mohawk Tribe is continuing on its path to economic self-sufficiency. The tribe itself employs approximately 1,400 individuals through government operations and other enterprises. The private sector in Akwesasne is also an important part of the Mohawk economy, with over 300 registered businesses here. Our strong economic growth provides employment and other opportunities not only to Mohawks, but to businesses and job-seekers from surrounding communities. Being a good neighbor is important to us.

This business directory is provided to our visitors as a convenient guide to businesses and services available to those who choose to patronize our many shops, restaurants, stores, gas stations and gaming properties.

This edition is the fourth year we have published the business directory. It is a joint effort between the Saint Regis Mohawk Tribe and the Mohawk Council of Akwesasne. We extend our sincere thanks to our Economic Development and Public Information departments for their fine work on the directory. We plan on continuing to publish this directory in years to come. We hope that you will continue your visits to Akwesasne and enjoy our famous Mohawk hospitality.

Niá:wen, (thank you)
