# MOHAWK COUNCIL OF AKWESASNE

Wat'kwanonwara:ton/Greetings,

On behalf of the Mohawk Council of Akwasasne, it is with great pleasure that I extend greetings and welcome you to the community of Akwasasne. We are pleased to support our local businesses and encourage you to visit any of the establishments listed in the Eighth edition of the *Akwasasne Business Directory*.

This year's *Business Directory* was designed as an information guide for visitors and shoppers interested in learning more about the benefits of shopping in Akwasasne. It is also intended to be helpful to Akwasasne residents wanting to support local businesses. Our overall goal is to benefit all businesses in Akwasasne and to create greater community awareness of what Akwasasne has to offer so let's get behind our business community and remind everyone to "Shop Akwasasne."

We want to thank the Economic Development offices of the Saint Regis Mohawk Tribe and the Mohawk Council of Akwasasne for their collaborative work in producing another practical and useful publication. We also want to thank those that provided assistance and information for the *Akwasasne Business Directory's* production.

Sken:nen/In Peace,

*Shé:kon* / Greetings,

Akwesasne is an economic engine bordering the shores of the St. Lawrence River; sharing ties with our local communities that depend upon each other for business, growth and development. It is an honor to promote our businesses, their products and professional services through the annual publication of the Akwesasne Business Directory, a collective resource developed by the Saint Regis Mohawk Tribe and the Mohawk Council of Akwesasne.

Economic development and sustainability are key factors in our mission, vision and goals. Our business leaders operate more than 300 small to mid-sized businesses and employ nearly 700 people. The Saint Regis Mohawk Tribe and its entities, including our Mohawk Gaming Enterprises, the Akwesasne Mohawk Casino & Resort and the Mohawk Bingo Palace, employ 1,600 accounting for \$47 million in local wages, much of which propels our area's economy.

The distribution of our directory has expanded to 8,000 printed copies in 2014, a testament to the strength and commitment of our business community. Broadband capability has reached Akwesasne, and plans include the development of a web-based directory for easy updates and access.

*Niawen:kówa* / Thank you very much for the support of our partners throughout the North Country including the Akwesasne, Cornwall, Malone, Massena and St. Lawrence County Chambers of Commerce.

Chief Ron LaFrance

Chief Paul Thompson

Chief Beverly Cook
