to select specific services

Hapag-Lloyd is a leading global liner shipping company and a powerful partner for you. Hapag-Lloyd offers one of the youngest and largest fleets (average age and ship size) in the industry with a total capacity of approx. 1.6 million TEU. Our container stock has a transport capacity of around 2.3 million TEU including a highly efficient and most modern reefer container fleet.

Our global network guarantees fast and reliable connections between all continents.

You will find all our services in this brochure including current transit times.

# Europe to Latin America

Major active player in Latin America markets

Excellent transit times and **high degree of schedule reliability** from and to South America and its attached global network (Mediterranean, Middle East, Africa etc.)

**Quality reefer service available** for all types of refrigerated cargo.

Large reefer fleet of:

- Trans Fresh
- Extra Fresh
- Controlled Atmosphere
- Chemical Reefers

**Inland transport solutions** available throughout Europe and in all Central American countries as well as Puerto Rico, Chile, Ecuador and Peru

**Extensive availability** of special equipment

Specialised in **out-of-gauge and break-bulk**

Strong presence of own offices and agents with a long-term relationship and with a proven record of expertise and efficiency in this trade

# Europe to North America/ Central America

Very comprehensive product in the Atlantic, combining strong THE Alliance loops with well-established stand alone services of Hapag-Lloyd

Fast transit times and multiple departures per week

**State of the art product in the market** from and to Mexico

Dedicated US Flag Service

**Hapag-Lloyd operated feeders** in the Mediterranean, Scandinavia and the Baltic instead of commercial operators

Reliable **inland haulage product** in Europe, USA, Canada and Mexico

**Extensive expertise** in “out-of-gauge” and “break-bulk” shipments
