Rechtsgrundlage

Gesetz über die Statistik der Bevölkerungsbewegung und die Fortschreibung des Bevölkerungsbestandes in der Fassung vom 20. April 2013 (BGBl. I S. 826), zuletzt geändert durch Artikel 9 des Gesetzes vom 18. Dezember 2018 (BGBl. I S. 2645).

Hinweis

Bevölkerungszahlen nach dem 9. Mai 2011 werden durch Fortschreibung des festgestellten Zensusergebnisses vom 9. Mai 2011 mit den Zu- und Fortzügen (Statistik der räumlichen Bevölkerungsbewegung) und den Geburten und Sterbefällen (Statistik der natürlichen Bevölkerungsbewegung) ermittelt. Für die Statistik der natürlichen Bevölkerungsbewegung werden Zählblätter der Standesbeamten über beurkundete Geburten und Sterbefälle ausgewertet; Grundlage der räumlichen Bevölkerungsbewegung sind die bei den Meldebehörden anfallenden Meldescheine und Erklärungen über die Aufgabe bzw. Änderung der Hauptwohnung.

Bundeszahlen veröffentlicht das Statistische Bundesamt in seiner Fachserie 1 „Bevölkerung und Erwerbstätigkeit“, Reihe 1 „Gebiet und Bevölkerung“.

Erläuterung

Bevölkerung am Ort der Hauptwohnung:
Im Zuge der Maßnahmen zur Eindämmung der Corona-Pandemie kann es ab Mitte März 2020 aufgrund von Einschränkungen im Publikumsverkehr von Meldebehörden oder verlängerten Fristen zur An- und Abmeldung zu einer zeitlich verzögerten Erfassung von Wanderungsfällen in der Statistik kommen. Dies hat im Ergebnis auch Auswirkungen auf die Daten der Bevölkerungsfortschreibung.

Als weitere, technische Position sind die „Sonstigen Veränderungen“ zu beachten:
Müssen Korrekturen der Datenlieferungen aus den Meldeämtern vorgenommen werden, werden sie gesammelt in der Position „Sonstige Veränderungen“ erfasst. Diese Korrekturen werden notwendig, wenn bspw. Nachmeldungen erfolgen oder sich herausgestellt hat, dass Angaben bei der Meldung nicht korrekt oder unvollständig waren. Eine nachträgliche Zuordnung zu den einzelnen Posten ist oft nicht möglich, sodass hierfür der Posten „Sonstige Veränderungen“ genutzt wird.

1. Ämter sowie amtsfreie Gemeinden und Städte in Schleswig-Holstein 2011 und 2023

| Größenklasse von ... bis unter ... Einwohner | Ämter | | | | Amtsfreie Gemeinden und Städte | | | |
